

PARENT POLICY

Volunteerism

The Blue Mountain Competition Program is one of the largest competition programs in the Eastern US. We need YOU to help us become one of the strongest organizations. Our program is growing and we have a greater need for help from parents both at the mountain and with professional services.

On competition days volunteers are needed for gate judging (Alpine), race registration, scorekeeping, helping at the start area, coat running, start and finish timing and collecting race bibs. Training and guidance will be provided for all volunteer positions. Sign up to help at <http://www.timetosignup.com/bluemtracing/>

There are opportunities to help with fundraising and sponsorship. We also seek individuals to help as committee members. Blue Mountain Racing Association is a 501(c)(3) non-profit organization. If you can help in any of these areas, please let us know.

Minimum seasonal requirements must be met by each family:

2 hours for each Mountaineer

4 hours for each PARA racer or Freestyle Competitor (up to a maximum of 8 hours per family)

No hours are required for Developmental Mountaineers

By signing this form, parents acknowledge that they are aware of the Blue Mountain Competition Program Volunteer Policy for the season.
